PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: I would love to debate this issue. I will next year. Again after a very careful nose count and evaluation I've decided my timing is poor on this issue. I would ask unanimous consent to withdraw it.

PRESIDENT: The amendment is withdrawn.

CLERK: Then that's all the amendments, Mr. President, on the ... wait a minute. That's all, Mr. President, on this bill.

PRESIDENT: Senator Dworak.

SENATOR DWORAK: Mr. President, I move that LB 589 be advanced to E & R for engrossment.

PRESIDENT: You've heard the motion. All those in favor say aye, contrary nay. The bill is advanced.

CLERK: Mr. President ... Mr. President, let me read in some committee reports. Your committee, Enrollment and Review, reports we have examined and reviewed LB 453 and recommend it be placed on Select File as amended; 522 Select File as amended; 300 Select File as amended; 237 replaced on Select File as amended; 383 Select File as amended; 491 Select File as amended; 525 and 525A, 600, 7, 574, 329, 386, 175, 536 and 216 all on Select File.

Mr. President, LR ... will be stuck in the Journal by Senator Rasmussen and laid over. LR 87

Mr. President, Senator Burbach asks unanimous consent to bracket LB 507 ... unbracket.

PRESIDENT: Is there an objection to unbracketing 507? Seeing none, it's so ordered.

CLERK: LB 507, the E & R amendments have been adopted. There are now pending amendments offered by Senator Kelly which are set forth in full in the Journal on page 1641. Then Senator Burrows moves to amend the Kelly amendment to strike lines 7, 8 and 9 and insert 11:

PRESIDENT: Senator Koch.

SENATOR KOCH: I think I have an amendment up there to 507, don't I Vince?

CLERK: Yes, but your's is after the Kelly and Burrows amendment. At least that's the order I have them in.

SENATOR KOCH: Mr. President and Mr. Clerk, I think in order to erase the confusion that may exist in regard to these amendments they go back to the original bill. My amendments would considerably alter 507 in terms of its future.
